Good news!

- \$366 from pizza at Winterfest, \$118 popcorn from Winterfest, \$97 from Principal for a Day
 - We used that money to buy a tetherball pole and ball for the 3-5 playground, 6 soccer balls, 6 footballs, 6 basketballs, 6 playground balls, and 3 tetherballs. Basketball court might still be eligible to get. Another suggestion was to get volleyball poles.

- Walk a thon for Friday, April 27 - Color run? The getmovincrew.com and 99pledges for online donations.
 - Amazon has the color packets which are cheap. Letter will go out informing parents in case of allergies.

- Teacher Appreciation Week:
 - Teacher appreciation gifts? Individual or group?
 - Luncheon/Snack Day

- End of year- Field day on last FULL day again. Water will be a part of some of the activities/obstacles. Students may want to bring an extra change of clothes.

- Next year- Grade level T-shirts to wear on Fridays and to wear for assemblies?
 - Students will be able to wear grade level colored shirt to ROAR assemblies, field trips, and any other events. This will be apart of the registration fee.
 - Staff shirts and pullovers for the teachers may be an option.
- Lion flags for each classroom to look at while saying the ROAR Pledge?
 - Either a poster or an actual flag will be made for each classroom before the start of next year.

What else?

Capturing Kids Hearts: Lincoln will find out soon if we made it as a National Showcase School.

Looking for helpers on the 13th of April to help pass out ice cream to 3-5th graders after completing the PARCC testing.
